SANA A (2014)

THE
DAYLIGHT
AWARD

Award Brief

- The Daylight Award honours and supports daylight research and daylight in architecture, for the benefit of human health, well-being and the environment.
- The award puts specific emphasis on the interrelation between theory and practice.

THE
DAYLIGHT
AWARD

Award Brief

- The Daylight Award is given in two categories: research and architecture.
- Given as personal prizes and the total sum of each award is €100,000.
- The Daylight Award is presented every second year
- Call for nominations for 2020 is open until 1 November 2019
